

Babywise

# Bliss

Practical parenting strategies  
Birth to 5 months

[www.babywisebliss.com.au](http://www.babywisebliss.com.au)

Whether you are expecting a baby, have recently welcomed a new baby into your family or work with people in either situation, Babywise Bliss is here to help you!

Following the best selling 'On Becoming Baby Wise' book, comes the long awaited support DVD..

In this contemporary presentation, you will find practical advice and solutions to some of parenting's most commonly asked questions.

Topics we cover include:

- Babies and Sleep
- Tired Signs
- When Babies Cry
- Dad's Role in Parenting

Plus many more!

Parenting solutions

#### Presenters: David and Charissa Scotford

David and Charissa Scotford are parents of four children with extensive experience in educating and supporting young families. They have run countless parenting classes and regularly support new parents over the phone. They are passionate about families and enjoy encouraging people as they have been encouraged.

David is involved in supporting Dads in the unique role they have within their family.

Charissa is a qualified Occupational Therapist who has pioneered developmental programmes with young children. She has worked in a premier children's hospital, a child development centre and private practice over the past 15 years.

David and Charissa home school their four children and live in Perth, Western Australia.
